

# Visit to Aviation Security Company Limited

for AScAOAL Programme, Division of Applied Science and Technology, Community College of City University

On 14 March 2014, 38 students from Associate of Science in Airport Operation and Aviation Logistics (AScAOAL) visited the Aviation Security Company Limited (AVSECO). The visit, led by Dr. Joseph Chan, Dr. Kenny Ma and Mr. Andrew Yam, lecturers from the Division of Applied Science and Technology of CCCU, consisted of tours to the headquarter of AVSECO, security checkpoints and bag room at Terminal 1 of HK International Airport and Integrated Airport Center. From the clear guides by AVSECO staff, students have gained concrete ideas of the structure and services of AVSECO, the process and equipment of security check for passengers and baggage, and other security measures of the Airport.
