

# Final Year Project Competition 2014

Final year students studying in the Associate of Science in Creative and Interactive Media (CIMP) and Associate of Science in Information Systems Development (ISD) are required to complete a Final Year Project (FYP). This year, there are a total of 25 projects teams, where 11 of them are live projects for companies and organizations including Towngas, Society for Prevention of Cruelty to Animals (HK), The Federation of Vegetable Marketing Co-operative Societies, Ltd, MTel Limited, etc.

The teams were required to deliver a 20 minutes presentation to discuss their project aim, technical skills as well as their creativity, followed by a Q&A session to assess their management skill, problem solving skill, technical know-how and team work. In the presentation, the students were all well prepared, with good looking and confident. A panel consisting of 5 co-assessors found that the competition consists of a variety of projects, and the panel further commented that all the projects managed to maintain a balance between creativity, business value, usability, as well as technical merit. The winners of the FYP competition 2014 are listed as follows:

<b>Best Media Project</b>	<b>CIMP11 Fly High</b>
<b>Certificate of Merit</b>	<b>CIMP02 Promotion of Accredited Farms</b> <b>ISD01 Android Apps for Welding Report Submission</b> <b>ISD02 Mobile Applications for the Accredited Farm Scheme</b> <b>ISD07 Bookware</b>
