

ACE Life Insurance Company Ltd. Summer Internship

Three students studying ASc Applied Business Statistics and ASc in Information Systems Development successfully completed the summer intern at the ACE Life Insurance Company Ltd. during 2011 summer.

ACE Life Insurance Company Ltd. ("ACE Life Hong Kong") is part of the ACE Group of Companies®, a global leader in insurance and reinsurance serving a diverse group of clients and operating in Hong Kong for more than 90 years.

In the internship, students from various higher institutions were selected to join the internship scheme. Three students from CCCU were successfully selected and got valuable opportunities to attend a series of constructive workshops in financial planning & investment training, IIQE Paper 1, 3 & 5 training and professional image training. They even got chances to meet keynote speakers comprising of business leaders and do projects which can sharpen their communication skills and apply their learnt knowledge into practice.

Our students performed very well and were awarded with the Certificate of Completion by the company at the end of internship. Two of them even are the Top Two of the whole internship scheme and won a prize!

After the intern, students had organized a dinner gathering with the Manager Mr. Marty Pang and the Year Tutor of AScABS Miss Kingship Lo on 14 January 2012 to share their memorable moments in intern.

Students said: "We enjoyed a lot. The internship program not only trained us with useful financial knowledge but also widened our horizon towards the business industry. We thank you DCO and ACE very much!"
