

New Zealand Study Abroad Scheme 2015

With the sponsorship from the CCCU Quality Campus Life Fund and the Division of Applied Science and Technology, 15 students from the AENG, AScaOAL, ASceS, and ASclSD programmes participated in the Study Abroad Scheme to learn English in New Zealand during June 6-28 2015. This trip aims to enable students to communicate with enhanced level of English with confidence, as well as to have exposure to a fresh understanding of distinct variations of English accents and cultural contexts. In this trip, student visited Auckland (Mount Eden, One Tree Hill, Devonport), Rotorua (Waiotapu Thermal park and Maori village), Coromandel, Christchurch, Queenstown. They also tried some extreme game like Skydiving and Bungy Jump.
