

Alumni Connections 2017

ASc Business Analysis, Division of Applied Science and Technology
UOW College Hong Kong / Community College of City University

With a history of over ten years, the programme Associate of Science in Business Analysis (AScBAnI) have trained many young business analyst who are now working in both public and private sectors, such as Standard Chartered Bank, Bank of China, Hong Kong Telecom, SAS and Census & Statistics Departments. Many of our graduates have proceeded to a wide range of Bachelor of Business Administration (BBA) and Bachelor of Science (BSc) programmes, say Business Analysis, Finance, Investment Science, Data Science and Analytics, Information Management, Natural Sciences at different UGC-funded institutions including HKU, CUHK, HKUST, CityU, PolyU and HKBU before starting their career.

Examples of career development and alumni activities are given below.

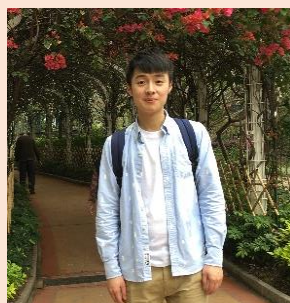

Career Development

Yeung Tip Ching, Ronald (2013 graduate)

- CityU BBA in Business Analysis (1st Class Honours)
- Associate Analyst at Standard Chartered Bank

"The study in CCCU built my solid foundation of analytical skill and knowledge in statistics and data mining which definitely helps me to handle the duty of my current position. The curriculum of my programme is very close to the Bachelor's programme I completed. It allowed me to pick up the undergraduate courses quickly and set my career planning in the area of business analysis."

Cheng Chi Chung, Jason (2015 graduate)

- CityU BBA in Business Analysis
- Graduate Trainee, Hong Kong Telecom

"With the time management and interpersonal skills trained from assignments and group projects in CCCU, I am able to carry out multiple tasks and work in teams at HKT."

Experience Sharing

Articulation Workshop

Alumni studying at different universities came back to share with our Year 2 students their experience of Non-JUPAS applications and interviews to help the students get prepared.

Tea Gathering

A tea gathering between the Programme Leader and alumni from different cohorts to catch up their university life and career planning, and to expand their networks.
