

COCLF PROJECT - ONE BELT ONE ROAD: AT THE EUROPE-ASIA BOUNDARY

“Kazakhstan is located in northern Central Asia, which is a developing, natural and beautiful country. Before I joined this study tour, I really knew nothing about this country. The things that I only know is, Kazakhstan is one of the stations in China’s Belt and Road Policy. After this Kazakhstan 8 days Study Tour, I became acquainted with the customs and different aspects of Kazakhstan, I also learned to respect the Kazakhs cultures.” said Mr. Tsoi Chi Shing, Year 1 student.

“During these eight days, we visited the biggest Chinese technology company, Huawei, and also went to the Turan University, the Zenkov’s Cathedral, and many famous tourist attractions and the Central Museum.” said Miss Clara Chan, Year 1 student.

“It was a great experience for me. It is worth taking a short trip other than studying only in classroom. I enjoy so much when I visited the local family in Almaty. I was great to have a chance to talk with local people face to face.” said Au Cheuk Fung, Year 1 student.
