

A study tour for exploring the electronic, computer and information engineering development in Taiwan 2017

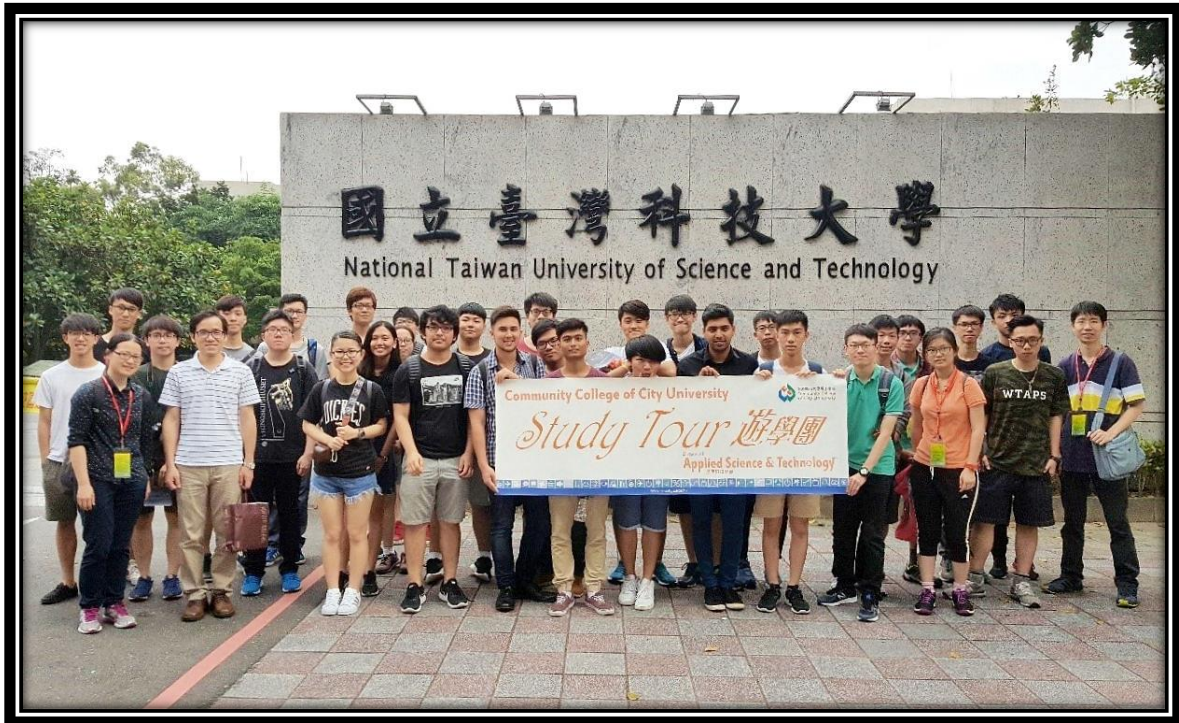

The Division of Applied Science and Technology had organized a study tour to Taiwan during 7 June – 10 June 2017. The study tour aimed at exploring the electronics, computer and information engineering development in Taiwan. There were 30 AENG, ASclSD and ASnSA students participated in the tour. In this tour, we visited the Department of Electrical Engineering, National Tsing Hua University, the Department of Computer Science and Information Engineering, National Taiwan University of Science and Technology, the Department of Computer Science and Information Engineering, National Taipei University of Technology, ASUSTeK Computer Inc. and Foxconn Technology Group. The study tour broadened the horizons of students through exposure to the state-of-the-art electronics, computer and communication technology in Taiwan.

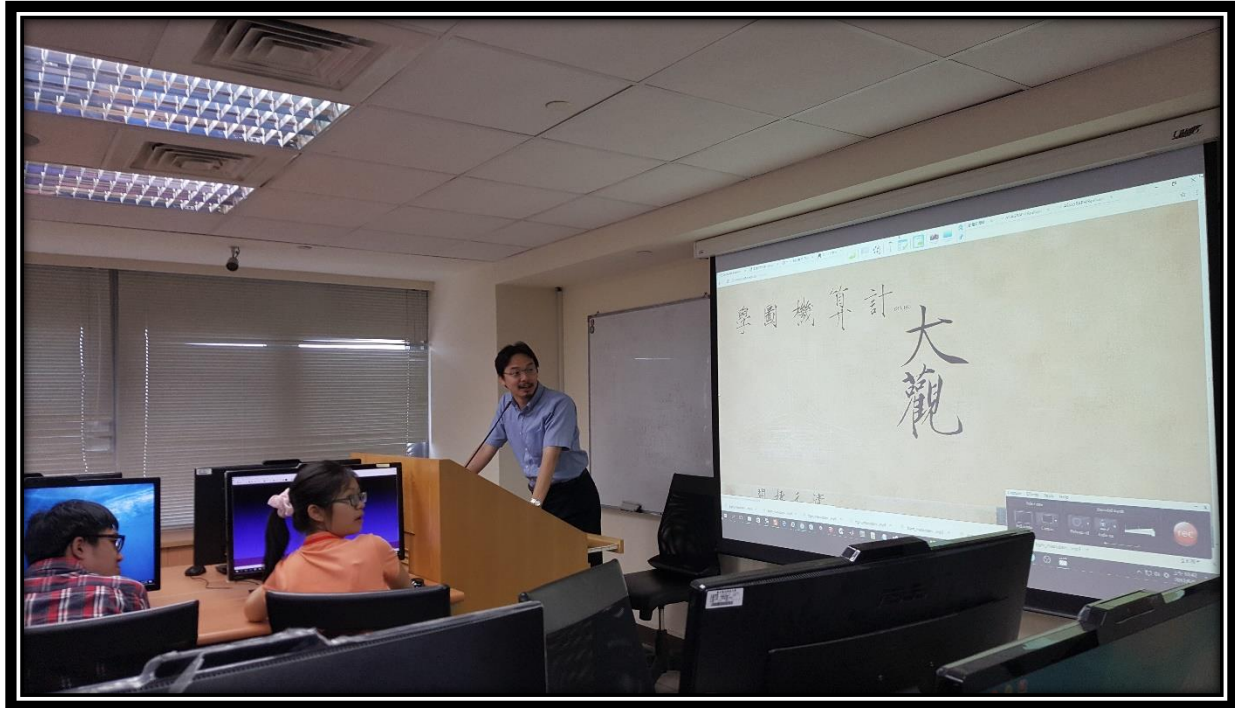

Visit to the Department of Electrical Engineering, National Tsing Hua University

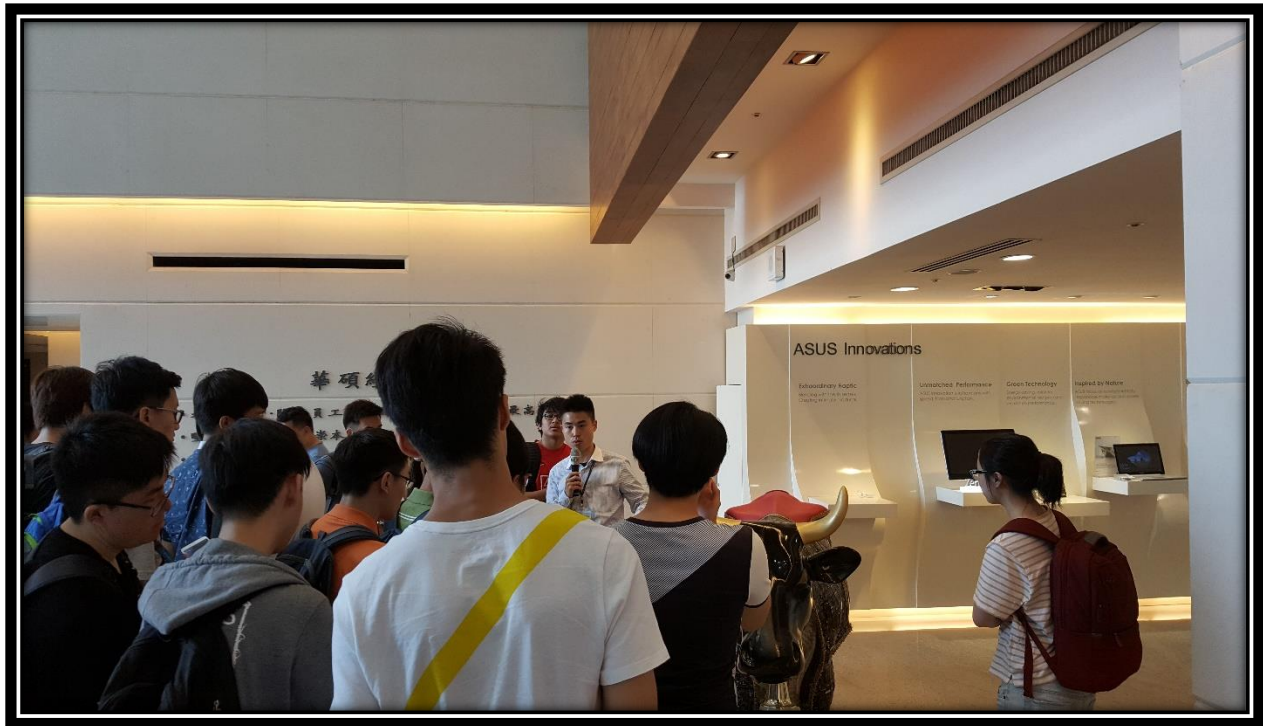

**Visit to the Department of Computer Science and Information Engineering,
National Taiwan University of Science and Technology**

**Visit to the Department of Computer Science and Information Engineering,
National Taipei University of Technology.**

Visit to ASUSTeK Computer Inc.

Visit to Foxconn Technology Group, the Center of Industry Accelerator and Patent Strategy
