Taiwan Study Tour 2013

Understanding the Computer and IT Development

To provide students a better understanding in the development of computer and information technologies of our neighboring regions, and provides an opportunity for students from different programmes to share their knowledge, 30 students from Associate of Engineering (AENG), Associate of Science in Information Systems Development (AScISD) and Associate of Science in Network and Systems Administration (AScNSA) participated into a study tour to visit Taiwan from 27 to 31 May 2013.

This tour was led by Dr. Timothy Kwong (Programme Leader of AScNSA) and was sponsored by the College Quality Campus Life Fund of the Community College of City University, and the Division of Applied Science and Technology.
