

Visit to Cathay Pacific Cargo Terminal

for AScaOAL Programme, Division of Applied Science and Technology, Community College of City University

On 10 October 2014, 19 students from Associate of Science in Airport Operation and Aviation Logistics (AScaOAL), visited the Cathay Pacific Cargo Terminal which has been launched in 2013. The visit was led by Mr. Andrew Yam, Lecturer at the Division of Applied Science and Technology of CCCU. From a demonstration of a 1:100 interactive model and a tour to the Terminal hosted by the terminal staff, students have gained idea of the Just-in-time parcel picking process, the design and bulk handling systems of the Terminal, the import and transshipment handlings, the storage of special cargoes including perishable cargoes and live animals, etc.
