

Articulation Seminar to BScAM

On February 20, 2013, around 70 year two students from the Associate of Science in Airport Operation and Aviation Logistics (ASCAOAL) participated in a seminar for the Bachelor of Science (Hons) in Aviation Management (BScAM). BScAM is a one-year full-time degree programme jointly offered by the School of Continuing and Professional Education of the City University of Hong Kong and the Coventry University, UK. In the seminar, Mr. Ivan Li, programme leader of BScAM, highlighted the programme features and career prospects of BScAM.
