# Final Year Project 2011-12

Students studying in the **ASc in Creative and Interactive Media** (CIMP) and **ASc in Information Systems Development** (ISD) are required to complete a Final Year Project (FYP). This year, there are a total of 24 projects teams, where 6 of them are live projects for companies and organizations including Towngas, Society for Prevention of Cruely to Animals (HK), etc.

On April 20, 2012, four teams were shortlisted for the FYP competition and were assessed by a panel consisting of Mr. Ivan LO, client Delivery Manager of CSC Technology Hong Kong Limited and Dr. WONG Kam Wah, Assistant Professor of the School of Creative Media, City University of Hong Kong.

In the presentation, the students were all well prepared, with good looking and confident. Each team was given 20 minutes to present their project aim, technical skills as well as their creativity, followed by a Q&A session to assess their management skill, problem solving skill, technical know-how and team work. The panel members found that the competition consists of a variety of projects, and they further commented that all the projects managed to maintain a balance between creativity, business value, usability, as well as technical merit. The winners are listed as follows:

Best Media Project	CIMP10 Nowhere Home
Best IT Project	ISD09 SuperMeal
Certificate of Merit	CIMP06 Promotion of Wi-Fi Card and Flu Card ISD05 Kinect Presentation system
